

Our mission is to build and support one-to-one relationships to ignite the biggest possible futures for youth. By pairing a caring adult with a youth in need, BBBS Miami Valley creates safe, high-quality, long-lasting mentoring relationships that ensure vulnerable young people beat the odds and reach their full personal and academic potential.

With your investment, youth will see a future where they graduate from high school prepared for college, career and life; become a well-qualified employee; earn increased wages and be proud to live in a community that is able to attract new businesses - all leading to a prosperous Miami Valley.

**Defend the potential in our youth. Be a corporate sponsor. Stand with us today.**
